Concordia College, South Australia
Olivia Hocking, Finance Manager

Concordia College is a leading co-educational World School in Adelaide, South Australia, with more than 1250 students from Early Learning Centre (ELC) to Year 12. Founded in 1890, Concordia is conveniently located 5km (10 minutes) from CBD Adelaide and offers contemporary and innovative learning spaces, set in leafy landscaped grounds on a single campus.

We have a strong commitment to academic engagement, success and achievement. Students study the PYP and MYP International Baccalaureate, selecting from a broad range of subjects as part of a well-balanced curriculum, which allows them to gain the South Australian Certificate of Education (SACE) on completion of Year 12.

We hand select our suppliers for our learning resources. As an ELC to Year 12 College, we require:

- Knowledge
- Being technologically sound
- Professionalism
- Organisation
- Timeliness
- Good communicators

This led us to Campion. The transition from our previous provider was seamless and the level of support they offer has been exceptional. Keeping their base local with the backing of a larger organisation, has ensured that turn-around time is fast with staff that are friendly, efficient and understanding. Their online platform is easy to navigate and simple for us to use to build our resource lists each year. A formidable relationship that works for our community.
